Established in 1985, **Headway of WNY** is a non-for-profit support and membership agency.

Our mission is to ensure that individuals in Western New York with brain injuries, other disabilities, and seniors have access to **resources** and **support systems** to enable them to live as independently as possible.

We seek to educate the community about causes, consequences and means of prevention of brain injury.

You are not alone.

Move forward with Headway.

What We Do

Navigation

We provide a safe place for people with brain injury and related cognitive disabilities to find resources to help them through the next steps. Most conversations begin with a phone call to the main office or email. We inform individuals about available professional services, facilities, and programs.

Resource guides for brain injury services and veterans are available on our website.

Support Groups

We offer Peer & Caregiver Support Groups. Check our website for more details.

Veterans

We are committed to veterans and their families, particularly those with TBI and other cognitive disabilities.

Waiver Programs

Regional Resource Development Center

Headway of WNY is contracted to the NYS Department of Health to administer and develop the Traumatic Brain Injury Waiver (TBI) and the Nursing Home Transition and Diversion Waiver (NHTD) in Erie, Niagara, Chautauqua, Orleans, Wyoming, and Cattaraugus Counties.
